May 30, 2019

Welcome!!!

This is a very exciting time for everyone associated with The George Snow Scholarship Fund. Today, in addition to celebrating our 37th anniversary, we will make financial commitments of $1,445,535.39 in scholarships and scholar support services to 150 very deserving young scholars.

Please know that we have been able to accomplish this only through the hard work and generosity of our donors, volunteers, corporate and community partners.

Today we gather to meet these special young people as well as recognize those individuals and organizations that have made 2018-2019 the successful year that it has been for the George Snow Scholarship Fund and the young people we serve.

The continuation of our many scholar support programs and services such as the Emergency Fund Program, Monday’s Motivational Messages, and the Computer and College Supply Initiative along with new additions such as our Senior Portrait Program, our Snow Family App, and our new Sokol Foundation Fellowship Program are examples of how this organization is continuing to implement innovative programs that serve our scholarship recipients and our community.

On behalf of those graduates and scholars you are assisting; please know how grateful we are for your continued support and commitment. Without your help, none of this would be possible.

Again, Thank You!!!

With Great Gratitude,

Tim Snow
The George Snow Scholarship Fund wishes to thank the following Individuals, Companies and Organizations for their generosity in supporting our reception.

GOLD SPONSORS
Steve Bagdan Charitable Foundation
Amy and Mike Kazma

SILVER SPONSOR
R.A. Ritter Foundation

**Selection Committee**

*The George Snow Scholarship Fund prides itself on its thorough, fair and unbiased selection process. To accomplish this the Scholarship Fund relies on a dedicated group of volunteers to read and score each of the hundreds of applications we receive for our awards each year. Each of these individuals unselfishly spend dozens of hours carefully reviewing and analyzing each application assigned to them. We are forever grateful to the people listed below for their time and expertise. We cannot do what we do without them.*

EDUCATION PLAYS A MAJOR ROLE in the American dream and is the gateway to upward mobility. However, the rising cost of higher education stands in the way of many students reaching their full potential.

The Snow Education Endowment supports educational opportunities for the community’s most promising high school students. The goal of the endowment is to be a resource in funding at least 100 scholarships every year to help South Florida’s most hard-working, dedicated and passionate individuals pursue higher education.

Scholarships are designed to bridge the gap between other financial aid and what the scholars and their families can afford. Scholarships include financial and college support services, ensuring the scholars have the resources they need to thrive academically. Thirty-nine percent of Snow Scholars come from single-parent families, and without the financial and social support of the George Snow Scholarship Fund, many of these students would not be able to attend college at all.

Obtaining a college degree not only makes a difference in the life of the scholar, but it also allows them to provide opportunities for their children that the scholar could not have if it weren’t for his or her education.

It is the George Snow Scholarship Fund’s vision that no deserving scholar be deprived of higher education because of a shortage of funds.

College Tuition Prices on the Rise

According to data from the United States Department of Labor, the price index for college tuition grew by nearly 80 percent between August 2003 and August 2013.

That is nearly twice as fast as the cost increase in medical care – another area widely recognized for fast-rising prices. It’s also more than four times as fast as the overall consumer price index during that same period.

Inflation Factors: General, Medical and College Tuition

Young adults with a bachelor’s degree earn almost 50% more than young adults with just a high school diploma.

| National Center for Education Statistics |
AN INVESTMENT in the Snow Education Endowment is a commitment to your community that fosters success and opportunity not only today, but into the future. Your gift enhances your legacy by supporting future leaders who carry on your commitment to South Florida. Donors may choose to make contributions to one of the following programs.

General Scholarship Endowment
Directing contributions to the General Scholarship Endowment ensures donors that their gift will be used exclusively to support scholarships and that those funds will be awarded to the most deserving and worthy students.

Named Endowments
Directing contributions in this way gives donors the opportunity to create a perpetual scholarship fund in either their name or their family’s name, as well as the right to designate scholarship criteria.

Scholar Support Services Endowment
This allows donors to invest in scholar support programs, which ensures that each Snow Scholar has the tools and support needed to finish school.

Alumni Graduate School Scholarships
This funds scholarships for Snow Alumni to attend graduate school.

What Does Your Contribution Support?

APRIL PATTERSON, Dentist
Snow Scholar | Class of 1999

Boca Raton Regional Hospital is now ranked 3rd in the Miami-Ft. Lauderdale metro area and 13th in the entire state, earning us a Top Ranked Regional Hospital designation. We’re also ranked #1 in Palm Beach County.

This is just another in a growing list of national honors for Boca Regional. And another way of knowing that if you’re in need of advanced, high-quality healthcare, you can count on us.
Polen Capital congratulates all of the George Snow Scholars!
